Help students in the class of 2023, 2024, and 2025 qualify for scholarships by taking steps on BigFuture® to explore careers, plan for college, and pay for college. Every month, BigFuture will award $40,000 scholarships and $500 scholarships to students who complete steps on BigFuture. There are no minimum GPA, test score, citizenship status, or family income requirements. The more steps students complete and the earlier they start, the more opportunity they have to win. Their entries for each month will be included in future drawings. Students whose families earn less than $60,000 per year have extra chances at BigFuture Scholarships and earn double the entries for every drawing.
