

Your Future, Your Way

BigFuture® helps you find your fit with tools that put your aspirations, interests, and skills at the center of college and career exploration.

Whether you're pursuing a two- or four-year college, going directly into the workforce, or still figuring things out, BigFuture is here for you.

BigFuture offers two complementary College Board resources, **BigFuture School** and **BigFuture.org**, to support you on your path after high school. Both are designed to help you explore your options and take next steps with confidence.

BigFuture School Mobile App

A school, district, or state may choose to not provide access to Connections for in-school SAT Suite test takers; not available in New York. BigFuture School and Connections are not available to AP students in New York. There may be other exclusions.

WHO: Available if you're 13+ in a participating U.S. school, and you either take an in-school SAT or PSAT assessment and/or are enrolled in an eligible AP course where your school has enabled access.

WHAT: Discover colleges and careers, see how your skills connect to future options, and get timely, personalized guidance, all in one place. Opt in to Connections™ to find schools looking for students like you.

HOW: Where available, you can provide a mobile number to securely access the app.

BigFuture.org

View of a student dashboard on BigFuture.org.

WHO: Available to all students and their families, any time, anywhere. Students must be 13 or older.

WHAT: A free website where you can create a vision for what's next, build a plan, access quality resources, and be seen by colleges. Keep track of your progress with free planning guides and a personalized dashboard.

HOW: If you don't have one already, create a free College Board account to access content, save college and career lists, and earn chances to win a \$40,000 or \$500 scholarship from BigFuture every month starting in 10th grade.
